

## **MACHE 2009 Annual Conference Thursday Workshops**

**Workshop:** Developing a Plan for High School: Sample Four-Year Plan

**Speaker:** Diane Kummer, HSLDA High School Coordinator

**Session:** Homeschooling Through High School **Time:** 1:00 PM

How do you plan a program for your high school homeschooler? What subjects do you teach and when? Do you follow a basic high school plan, a general college prep plan, or a rigorous college prep plan? How do you evaluate credits? Determine grades for a course? What about the need for a transcript and diploma? If you are just beginning to think about homeschooling during the high school years, this seminar will help you organize your thoughts and begin laying the groundwork for a viable four-year plan.
